HOW POINTS ARE CALCULATED

Points are calculated based on the finishing position in the class, the number of entries in each class and the multiplier of each event.

Angelstone Circuit point system: 1st - 10, 2nd - 8, 3rd - 6, 4th - 5, 5th - 4, 6th - 3, 7th - 2, 8th - 1.

Formula: points for the placing × entries in the class × event multiplier. ASE 3 multiplier: **2x**. ASE 4 multiplier: **1.75x**.

Example: if a horse wins a class with 20 entries at ASE 3 (multiplier 2x), the calculation is 10 (points to win) x 20 (entries in the class) x 2 (multiplier of the event) = 400 points. The same win at ASE 4 earns 10 x 20 x 1.75 = 350 points.

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farrier and tack, and transportation.

2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.

3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.

4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin des Délices, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

All FEI classes will be run under FEI rules. FEI drug rules will apply. All horses must be present for the jog. Please refer to the FEI schedule for rules, specs and updates.

There is a $10 fee for each class added on the day of competition (day-of adds). Scratches follow the Scratch Policy. This allows management to schedule the following competition day and make changes online. All changes for the following day will be posted online no later than 10:00 pm.

Non-Competition Days – ASE 3: Sunday, August 22 closed; Monday, August 23 9:00 am to 4:00 pm. ASE 4: Monday, August 30 closed; Tuesday, August 31 9:00 am to 4:00 pm.

Schedule – The schedule will be updated online by 10:00 pm the evening before the competition day. Management reserves the right to move classes up an additional 30 minutes from the time posted online. Competition management further reserves the right to cancel, postpone or combine any class or condition they deem advisable without notification. Every effort will be made to provide as much notice as possible.

Entries – Entries are accepted only through Equestrian Digital (Angelstone app). All entries must have a complete address, EC or USEF numbers, and horse recording numbers. It is the responsibility of the exhibitor to provide proof of all necessary memberships. Any exhibitor competing without proper memberships will not be allowed to compete unless they obtain an Equestrian Canada membership or provide proof of their Federation membership.

Numbers – Numbers will not be issued until entry information is complete and a form of payment is left with the office (Visa, MasterCard or cheque). All accounts must be closed out each Sunday of the event. Entry numbers must be worn and visible at all times while mounted. The official number provided by the competition must be used; no bib numbers.

Per-horse fees – All competitors will be assessed, per horse, the EC Drug Fee of $8, the Jump Canada Levy of $25 and the $99 Facility / Emergency Fee.

Non-showing Horses – Non-showing horses must still be entered through Equestrian Digital and issued a back number. Non-showing horses are subject to an administration fee, but not a non-showing fee.

Closing Date – Entries close 7 days before the first show of the series. Entries for ASE 3 and ASE 4 both close Tuesday, August 17, 2027. All entries must be completed online with Equestrian Digital (Angelstone app). Entries not received by this date will be subject to a late fee of $50. Entries submitted on or after the Monday of the competition week are subject to a $75 fee. Entries may not be accepted if the tournament has reached capacity.

Scratch Policy – Scratches are charged as follows: 1. Scratching a horse from the show: if a horse is scratched from the show for the week, the exhibitor pays the $65 administrative (office) fee and a $75 scratch fee. Stalls are non-refundable, so if a stall was booked, the stall fee is also charged. Total: administrative fee + stall fee (if booked) + $75 scratch fee. 2. Scratching a class before it starts: while competing at the show, a horse may be scratched from a class at no charge before that class starts. The scratch is free and no entry fee is charged for that class. 3. Scratching a class after it has started: the entry fee for that class is charged.

$40 Ticketed Schooling – Hunter rings will be open for $40 ticketed schooling at the end of competition days during the week when the schedule allows. Horse/rider must be wearing the current number or will not be permitted to enter the rings. $40 ticketed schooling is billed to the back number entering the ring.

Payments – We require a valid Visa, MasterCard or blank cheque for ALL open accounts at the time the back numbers are picked up. A 3% convenience fee is charged on all credit card transactions. No fee is charged for debit, cash, cheque or e-transfer payments. All accounts must be closed out each Sunday before competing the following week. All accounts not closed out by 12:00 pm the following Monday will be subject to a 3% late close-out fee.

HST – HST is charged on all items.

Prize Money – Prize money will be credited against all accounts. Any prize money amount under $1,000 will be left as a credit on account and automatically rolled forward to the next event unless a payout is specifically requested. Prize money will be paid to the registered "payee" on the competition entry, which must have a correct mailing address listed, within 30 days following the end of the competition.

Refunds – Scratch charges are set out in the Scratch Policy. The Jumper Nomination is not refunded after the entry closing date. If Angelstone cancels a class (for example, for weather or an emergency), the entry fee for that class is not charged.

Cash Customers – If you have presented a non-negotiable cheque to Angelstone Tournaments/Events, you may be considered a "cash only" customer. Entries and stall reservations will not be accepted until cash payment has been received. Management reserves the right to refuse entries.

Non-Negotiable Cheques – Cheques returned by the bank for any reason will be charged a $60 NSF fee.

Jumpers – Jumpers must pay the Jumper Nomination ($175; $250 at ASE 3, Major League Toronto) unless competing in a division or class that does not require a nomination. The nomination fee is non-refundable. The Jumper Nomination fee is required for 1.10m and up. Young jumpers pay the Jumper Nomination only at the final.

Insurance – All owners and competitors are personally responsible for damages to a third party caused by themselves, their employees, agents or their horses. They are strongly advised to take out a third-party insurance policy covering equestrian events.

Dogs – Dogs MUST be kept on a leash at all times while on the property. There will be a $100 fine for any disruption to competition caused by a loose dog. Owners are responsible for picking up after their dogs.

Vehicles – All vehicles must be parked in designated areas only. There is no parking on the roads or in the barn areas at any time. All motorized vehicles, including golf carts, dirt bikes and 4-wheelers, must be operated by fully licensed drivers only. Unlicensed drivers will be issued a warning on their first offence. Additional offences will be fined $250 per violation. Cars parked in the stabling area will be fined $100 per violation.

If the rules of the NFs differ regarding the requirements for conducting the competition, the more stringent rules will apply. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties.
