# 2026 POINT MULTIPLIERS

Points are calculated based on the finishing position in the class, entries in each class and multiplier of each event.

Angelstone Circuit point system: 1st - 10, 2nd - 8, 3rd - 6, 4th - 5, 5th - 4, 6th - 3, 7th - 2, 8th - 1

Therefore - if a horse wins a class with 20 entries at a show with a multiplier of 2x the calculation will be as follows  
10 (points to win) x 20 (entries in the class) x 2 (multiplier of the event) = 400 points

# The work behind the win

Nutrition supports performance long before the spotlight.

Feed isn't just fuel. It's a performance strategy.

Every ride leads somewhere. Every decision shapes the moment you've been working toward. Show horses require nutrition that works with their physiology. Controlled energy, targeted amino acids, digestive efficiency, and recovery support all play a role in keeping performance horses at the top of their game. When nutrition is dialed in, horses stay sharper, stronger, and more resilient through demanding training and competition schedules.

## ANGELSTONE EVENTS

Address: 8720 Wellington County Rd 50, Erin, Ontario N0B 2K0 CANADA

The Angelstone venue is located in the town of Erin, Ontario, less than a half-hour drive northwest of Toronto's Pearson Airport.

Since its founding in 2011, Angelstone's sprawling 70-acre venue has grown to showcase five competition rings. The BFL Stadium is the main arena on the site and can seat up to 5,000 spectators. The stadium features various seating options and offers a one-of-a-kind experience.

Our other feature arenas are the EEC Memorial Ring and the AstaMax Ring. These arenas offer sport at all levels.

A night at Angelstone places our visitors closer to the action, where you will hear the horses and riders interacting with each other over the stillness of the night, followed by the eruption of the crowds after each stellar performance.

This is simply the best venue to take in the exhilarating sport while being surrounded by an elite level of personal service and amenities.
