POINT MULTIPLIERS

Points are calculated based on the finishing position in the class, entries in each class and multiplier of each event.

Angelstone Circuit point system: 1st - 10, 2nd - 8, 3rd - 6, 4th - 5, 5th - 4, 6th - 3, 7th - 2, 8th - 1

Therefore - if a horse wins a class with 20 entries at a show with a multiplier of 2x the calculation will be as follows

10 (points to win) x 20 (entries in the class) x 2 (multiplier of the event) = 400 points

The work behind the win

Nutrition supports performance long before the spotlight.

Feed isn't just fuel. It's a performance strategy.

Every ride leads somewhere. Every decision shapes the moment you've been working toward. Show horses require nutrition that works with their physiology. Controlled energy, targeted amino acids, digestive efficiency, and recovery support all play a role in keeping performance horses at the top of their game. When nutrition is dialed in, horses stay sharper, stronger, and more resilient through demanding training and competition schedules.

THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farrier and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.
