2027 POINT MULTIPLIERS

Points are calculated based on the finishing position in the class, the number of entries in each class and the multiplier of each event.

Angelstone Circuit point system: 1st - 10, 2nd - 8, 3rd - 6, 4th - 5, 5th - 4, 6th - 3, 7th - 2, 8th - 1.

Example: if a horse wins a class with 20 entries at a competition with a multiplier of 2x, the calculation is 10 (points to win) x 20 (entries in the class) x 2 (multiplier of the event) = 400 points.

RULES & REGULATIONS

The Angelstone International Show Jumping Tournaments/Events are EC-sanctioned Gold/Platinum competitions, members of Equestrian Canada, and are governed by the rules of the EC Rule Book. [PLACEHOLDER: check each EC article reference below against the final 2027 EC Rule Book (due December 2026)]

(A602.9) — When registering for EC-sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries must be in good standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments.

(A602.2) — Every class offered herein which is covered by the rules and specifications of the current EC Rules will be held and judged in accordance with the EC Rule Book. All questions not covered by these rules shall be decided by the competition management, whose decision will be final.

(A602.5) — Any horse entered in any class at a competition may be selected for equine medication control while at the event location.

(A602.7) — Per Article A801, every entry at an EC-sanctioned competition shall constitute an agreement by the person(s) responsible that the owner, lessee, trainer, manager, agent, coach, driver or rider and horse shall be subject to the EC constitution and all rules of EC and any additional rules set by the competition. It is the responsibility of all individuals participating in any capacity in EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of EC and the additional rules, if any, imposed by the competition. Do not participate in this EC-sanctioned competition in any capacity if you do not consent to be bound by the constitution and rules of EC and any other additional rules imposed by the competition.

(A602.8) — All horses attending Equestrian Canada sanctioned competitions must have met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations.

Competition Days — The office will open one hour before the first class, and declarations for the next day's classes will close at 4:00 pm. There is a $10 fee for each class added on the day of competition (day-of adds). Scratches follow the Scratch Policy. This allows management to schedule the following competition day and make changes online. All changes for the following day will be posted online no later than 10:00 pm.

Non-Competition Days — Monday: closed. Tuesday: 9:00 am to 4:00 pm.

Schedule — The schedule will be updated online by 10:00 pm the evening before the competition day. Management reserves the right to move classes up an additional 30 minutes from the time posted online. Competition management further reserves the right to cancel, postpone or combine any class or condition they deem advisable without notification. Every effort will be made to provide as much notice as possible.

Entries — Entries are accepted only through Equestrian Digital (Angelstone app). All entries must have a complete address, EC or USEF numbers, and horse recording numbers. It is the responsibility of the exhibitor to provide proof of all necessary memberships. Any exhibitor competing without proper memberships will not be allowed to compete unless they obtain an Equestrian Canada membership or provide proof of their Federation membership.

Numbers — Numbers will not be issued until entry information is complete and a form of payment is left with the office (Visa, MasterCard or cheque). All accounts must be closed out each Sunday of the event. Entry numbers must be worn and visible at all times while mounted. The official number provided by the competition must be used; no bib numbers.

Per-horse fees – All competitors will be assessed, per horse, the EC Drug Fee of $8, the Jump Canada Levy of $25 and the $99 Facility / Emergency Fee.

Non-showing Horses – Non-showing horses must still be entered through Equestrian Digital and issued a back number. Non-showing horses are subject to an administration fee, but not a non-showing fee.

Closing Date – Entries for CEP Spring 1 and CEP Spring 2 close Wednesday, April 28, 2027. Entries for ASE 1 and ASE 2 close Wednesday, May 19, 2027. All entries must be completed online with Equestrian Digital (Angelstone app). Entries not received by this date will be subject to a late fee of $50. Entries submitted on or after the Monday of the competition week are subject to a $75 fee. Entries may not be accepted if the tournament has reached capacity.

Scratch Policy – Scratches are charged as follows:
1. Scratching a horse from the show: if a horse is scratched from the show for the week, the exhibitor pays the $65 administrative (office) fee and a $75 scratch fee. Stalls are non-refundable, so if a stall was booked, the stall fee is also charged. Total: administrative fee + stall fee (if booked) + $75 scratch fee.
2. Scratching a class before it starts: while competing at the show, a horse may be scratched from a class at no charge before that class starts. The scratch is free and no entry fee is charged for that class.
3. Scratching a class after it has started: the entry fee for that class is charged.

$40 Ticketed Schooling – Hunter rings will be open for $40 ticketed schooling at the end of competition days during the week when the schedule allows. Horse/rider must be wearing the current number or will not be permitted to enter the rings. $40 ticketed schooling is billed to the back number entering the ring.

Payments – We require a valid Visa, MasterCard or blank cheque for ALL open accounts at the time the back numbers are picked up. A 3% convenience fee is charged on all credit card transactions. No fee is charged for debit, cash, cheque or e-transfer payments. All accounts must be closed out each Sunday before competing the following week. All accounts not closed out by 12:00 pm the following Monday will be subject to a 3% late close-out fee.

HST – HST is charged on all items.

Prize Money – Prize money will be credited against all accounts. Any prize money amount under $1,000 will be left as a credit on account and automatically rolled forward to the next event unless a payout is specifically requested. Prize money will be paid to the registered "payee" on the competition entry, which must have a correct mailing address listed, within 30 days following the end of the competition.

Refunds – Scratch charges are set out in the Scratch Policy. The Jumper Nomination is not refunded after the entry closing date. If Angelstone cancels a class (for example, for weather or an emergency), the entry fee for that class is not charged.

Cash Customers – If you have presented a non-negotiable cheque to Angelstone Tournaments/Events, you may be considered a "cash only" customer. Entries and stall reservations will not be accepted until cash payment has been received. Management reserves the right to refuse entries.

Non-Negotiable Cheques – Cheques returned by the bank for any reason will be charged a $60 NSF fee.

Jumpers – Jumpers must pay the $175 Jumper Nomination unless competing in a division or class that does not require a nomination. The nomination fee is non-refundable. The Jumper Nomination fee is required for 1.10m and up. Young jumpers pay the Jumper Nomination only at the final.

Insurance – All owners and competitors are personally responsible for damages to a third party caused by themselves, their employees, agents or their horses. They are strongly advised to take out a third-party insurance policy covering equestrian events.

Dogs – Dogs MUST be kept on a leash at all times while on the property. There will be a $100 fine for any disruption to competition caused by a loose dog. Owners are responsible for picking up after their dogs at both venues.

Vehicles – All vehicles must be parked in designated areas only. There is no parking on the roads or in the barn areas at any time. All motorized vehicles, including golf carts, dirt bikes and 4-wheelers, must be operated by fully licensed drivers only. Unlicensed drivers will be issued a warning on their first offence. Additional offences will be fined $250 per violation. Cars parked in the stabling area will be fined $100 per violation.

Licensed Areas (Caledon Equestrian Park) – The Caledon Equestrian Park Pavilion and Arena Complex are licensed areas. No alcoholic beverages are allowed other than those purchased at the bar located in each area.

Federation Entry Agreement

FEDERATION ENTRY AGREEMENT By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulter or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of the United States Equestrian Federation, Inc. (the "Federation") and the local rules of the competition. I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cable-casts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. If not currently a USEF Active Competing member or Subscriber and competing only in classes that are exempt from membership requirements, I acknowledge and agree that I will be enrolled at no cost as a USEF Fan and my USEF Fan Account will continue to annually automatically renew unless and until USEF determines in its sole discretion to terminate my Fan account. Additionally, I acknowledge that the benefits of a USEF Fan are subject to change without notice. The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR907.4.

USEF Waiver and Release of Liability: **[PLACEHOLDER: stand-alone USEF waiver applicable to a USEF-licensed competition in Ontario (to be confirmed with USEF)]**

Drugs and Medications

Classes at USEF-licensed competitions are subject to the Federation Equine Drugs and Medications rules (USEF Rule Book Chapter GR4).

For every horse participating in any competition licensed by the Federation, a Federation fee will be collected (a portion of the fee shall be an Equine Drugs and Medication fee to provide for research, inspection, and enforcement of rules regarding use of medications and drugs; see GR407.1, .2 and .3). Exception: Horses entered in classes exempted from the Equine Drugs and Medication fee are also exempt from the balance of the Federation fee. USEF Drugs/Medications Fee: $25 per horse ($15 D/M + $10 fee).

Competition management will place a minimum of one sharps container on the competition grounds (GR1210.4).
[PLACEHOLDER: sharps container location]

As of December 1, 2019, the requirements of USEF General Rule 842, Mandatory Necropsy, shall be in effect at all USEF-licensed competitions in Canada.

Motorized Vehicles and Personal Electronic Transport Devices (GR1301.7 and GR1301.8)

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.
